

School is closing

Today

school

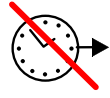

will be

closing.

I

will not

be able

to

come to

school

for a little while.

This is ok.

My

parents

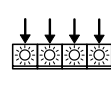

will

tell

me

everyday

who

will be

looking after

me

and where

I

will be

going.

I can

look

on the

school

website

and

there

will be

fun

jobs

for

me

to

do.

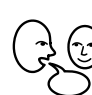

This is good.

 I can  do  some  writing,  reading,  draw  pictures and  work out

**123**  $3 \times 2 + 5 =$   
 number calculations.

 I  could  also  play games and  make things.

  
 This will be fun.

 I will  come back to  school when  my  parents  tell  me the

 school is  open  again.

 I will be  happy to  do  my  school  jobs at  home.

 I will  show  my  teachers when  school is  open  again.
