

Woolly Ornament

Art and creative activities can be very relaxing. Why don't you make an ornament for someone in your family or for yourself to put in your bedroom?

Get a bottle or a jar. It can be plastic or glass.

Cover the whole bottle with craft or pva glue.

Find some material. Find wool, ribbon, cotton or bits of old fabrics and wrap it around your bottle and make sure it sticks to the glue.

You can now peel off all the dried glue on your hands!!
