

## 11.5.20 Mrs Halley's Challenge

Today's challenge has been set by Mrs Halley inspired by a photo sent to school by Rufus in Year 2!

In it, he has recreated a famous painting by finding similar props and making the same face as the man in the original painting!

Mrs Halley would like as many of you as possible to try and do the same (adults too!) and email the school office with your pictures. Make sure you include the original picture alongside your own.

You could choose a famous painting, a picture that you have in your house or even a picture from a story that you like. There are lots of good ideas online to inspire you!

Enjoy!
