

20.5.20 Bookmark Challenge

Today's challenge is inspired by Mrs Kennard. In 2017 she made all of Turtle Class and me a bookmark with our names on. In lockdown I have been enjoying reading a little bit more and whenever I use my bookmark it makes me smile!

There are lots of ideas for you to make your own bookmark depending on what resources you have.

Don't forget to write the date on it..

Enjoy!
