

South Street

Look at the images of South Street in Worthing on the next page.

What do you notice about them? When were they taken? How long ago was that?

What can you see in the pictures? What are the people like? What are they wearing? What do you think they are doing? What are the vehicles like? What are the buildings being used for?

Does it look the same as it does today? How is it different?

Go for a walk down South Street with your parents or carers – what do you notice that has changed or is the same? If you cannot go out to see for yourself you could look on Google Earth: <https://earth.google.com/web/>
