

Homemade Tin Can Windsock

You will need:

- Tin can
- Paint
- Ribbon or string
- Paper or tissue
- Glue/tape

Instructions:

1. Start by painting/decorating your tin.
2. After the paint is dry, use glue/tape to attach colourful ribbons/paper to the bottom rim of the can.
3. You could add a ribbon to the top of the can for hanging.
4. Find a place to hang your windsock.
