#### Introduction

MyChildAtSchool (MCAS) is Lyndhurst Infant Schools' parental engagement system. As well as enabling a parent to view their children's data, the portal also provides general useful information about school.

We use MyChildAtSchool for the following:

- Communications via email & app notifications (not text/SMS) to inform parents and carers of events and important information regarding your child at school.
- To consent and pay for school trips
- To apply for and pay for some extracurricular before and after school clubs
- To book parents evenings
- To purchase items, from the school online shop
- To review important pupil data including contact details and medical conditions

In future we may also use MCAS for other school processes that are not mentioned above. We encourage all contacts who have parental responsibility for a child to be active on MCAS so important information from the school is received in a timely manner.

MCAS is available online or as a downloadable app on Apple and Android. This guide will show you all you need to know about using MCAS and the options available to you.

# How to Access MCAS

To login to the MCAS Parent Portal you will need to have a valid e-mail address registered with the school, if you have then you would have received an Invitation Code to your inbox from the school called MCAS – Redeem Invitation Code.

If you do not have an Invitation Code please contact the school for one, as you will NOT be able to access the Parent Portal without one.

Once you have got the email you can either download and setup your account through the app (see below on which one) or you can setup your account through the web browser.

In that email there will be a link that says **Please click Here to redeem your invitation code** or from within your web browser type <u>http://www.mychildatschool.com</u> this will open the login page.

If you clicked the link in your email the above fields will have been populated automatically, if you accessed from the app directly click redeem invitation code and then fill out the details from the email. The email link may also open the app on your smartphone with the details already populated.

You will then be asked to setup your security details, enter the required information to setup the login details and click on the save account details button, a message will be displayed that the new login setup has been successful and you will be returned to the login page.

Confirm Security Answer	<b>b</b>
Save Account Details	

An e-mail will also be sent to the e-mail address entered asking for the login information to be verified, if this is not verified then you will not be able to recover account details or change the password in the future.

You will now be able to login using your new login details.

If you should forget your login information, clicking on the forgotten login details? link will allow you to reset your password or recover account details.

### Access and Download the MyChildAtSchool App

To download the MyChildAtSchool Parent App, search for MCAS Parent App on your respective mobile app/play store and select download. Once the app is downloaded, you will be able to press OPEN

The app will show either the login screen or welcome page depending on whether you have setup your account or clicked it from the link in the email.

If you have already setup your account enter the **school code of 13298** and then your username and password. If you have not setup your account, please follow the instructions above and enter the details found in your welcome e-mail.

# PLEASE ENSURE THAT YOU ENABLE "PUSH" NOTIFICATIONS IN YOUR PHONE SETTINGS IN ORDER TO BE NOTIFIED OF ANY NEW MESSAGES SENT TO THE APP.

On the dashboard there are several widgets which will show some information. Each widget will display a quick view, clicking on the more button will open that option, giving more detailed information.

The Menu Bar shows all the available options on the system. It also has a scrollbar to the left and can be minimised or maximised by clicking on the Three Bar icon.

Clicking each of these will take you to the corresponding section.

#### **Multiple Pupils**

Clicking on the name of the pupil, next to the photograph, will open a list of other pupils associated, this will be shown if you have multiple pupils in the school.

Click on the photograph or the text to change views. Allowing information for more than one associated pupil to be viewed without having multiple logins.

## **Modules**

Each module available shows different in formation or carries out a particular process. Some only display information and others are more interactive.

#### **Data Collection Form**

This widget displays some of the details we have on record.

Data Collection Form		VDU ARE HE

In additional to the core details, it also displays any medical and SEN information. You can edit or add any additional details if anything is incorrect and then submit this to the school. The school will always review and changes before changing the school record. If something is wrong that cannot be changed please contact the school office.

#### Announcements

The Widget displays the latest Announcements, click on the More button to open the page. The school will use the announcements page to deliver app notifications and information to you.

If there are any previous Announcements they will also be displayed.

#### Attendance

The Widget displays the Attendance for the current day. Clicking on the menu bar will open the Attendance page with a Summary Pie Chart for the year to date for your child.

#### **School Shop**

This is an Online School Shop and will display the items the school currently have available for you to purchase, what appears on this page is determined by the school and may not contain anything.

#### **Breakfast Club, After School Clubs & Trips**

The Clubs & Trips widget displays the current Clubs & Trips booked for the pupil and any that are available to be booked. On the menu the school has 3 separate sections to book the available events.

Breakfast Club: To book the breakfast club.

After School Clubs: This is where you will apply for the Extracurricular Clubs, this could be dance, Lego, art, football, multisports, or any other extracurricular club the school runs

Trips: For all the schools' trips, for example Ice Skating, Worthing Museum etc. The booking process for all of the above is very similar. Once the menu item is clicked it displays the current Clubs & Trips for the pupil and any that are available to be booked.

#### **Important Documents**

From time to time the school will publish important documents to the system to enable quick viewing. This could be the updated snow protocol policy during winter or times of
