

Busy Things is a multi-award-winning collection of educational games and activities to help children learn between the ages of 3 and 11 — and to make it fun! We use Busy Things widely throughout the school and are pleased to be able to offer it to all pupils at Lyndhurst Infant School to access at home.

Activities are directly linked to the curriculum and subjects that children will be learning in school, including English, maths, science, geography, music, coding & much more! Busy Things can be accessed on a computer, laptop or tablet.

**Log in details are in your child's Home Contact Book.**

To access Busy Things:

- Go to [www.busythings.co.uk](http://www.busythings.co.uk)
- Click on the Log in box at the top right.
- Type the schools user name and password that is shown in your child's Home Contact Book.
- Children can either go to "My Busy Things" – select their class, then name, and insert their password that is a selection of three pictures OR they can select Early Years or Key Stage one where they can either select their class or explore activities.

If you have any issues accessing Busy Things please speak to your child's class teacher.
